BUTTE HIGH LEADS WITH 25 POINTS

GRIZZLIES DROP THRILLER TO TUBBY GRAVES' HUSKIES

O'Connor and Jones Deliver Classy Pitching Exhibitions in Washington's Sensational 1 to 0 Victory Yesterday; Montana Leaves for West

By JESSE LEWELLEN

Jean Walby's ringing two-base blow to deep left center, scoring Beckett who had singled ahead of him in the fifth, ruined one of the best pitched games Jimmy O'Connor ever hurled in Washington's 1 to 0 triumph over the Grizzlies in a contest packed with thrills from start to finish yesterday afternoon. Even Walby's long drive was almost an anti-climax with the wild ninth inning when the Grizzlies loaded the sacks with one down, only to have Lefty Jones, gritty Husky hurler, cut loose with a supply of reserve stuff that forced Scorp Anderson to fly to Louis Tesreau at short and Billy Kelly to loft a high fly to Frayn in left with the tying and winning runs on third and second. The crack of Kelly's club on the pellet brought the big crowd to its feet, but the cheer that started subsided into a groan as the ball settled into Frayn's outstretched hands.

Such was the finish of a hair-raising, breath-taking game, which left the throng weak and exhausted after watching Montana get men on bases again after inning, only to have the little Washington pitcher tighten down unmercifully when hits meant runs. It was a brilliant pitcher's battle. Jones, although touched for eight safeties, hurled almost invincible all with men on bases, and retired 10 Grizzlies on strikes. Jimmy O'Connor led Tubby Graves' heavy-slugging club to three hits, one of which was the scratchiest victory. With the exception of the two bunched hits in the fifth, and a fluke infield blow in the second, the bespectacled Grizzly hurler held the Huskies lifeless.

Two fast double plays added to the sparkle and zest of the game, which was played in less than two hours, Louis Tesreau, Husky cleanup man, twice batting into double plays, each being made Anderson to Hanson to Meagher. Other features of the contest were flashy catches of hard line smashes by Obbie Berg and Maylor, an over toward the right field foul line and pulled down Anderson's scorching liner in the eighth with two Grizzlies on the sacks. He was given a big hand by the crowd. Berg

MONTANA REGISTRATION

Registration figures at Montana University given out by the registrar's office show a total registration to date of 1,426 students. Of this number, 790 are men and 636 women.

A comparison of these figures with last year's shows the two years have about the same total for registration. Of the 1,424 registered last year 770 were men and 654 were women.

WELCOME

The State University welcomes once again the high school students of Montana to its Intercollegiate. That your visit here may be enjoyable to all is our sincerest wish. Not all of you can carry away the coveted prizes, but if you will go into the game, on the platform, or on the field, hard and square, you will leave enriched by your experience, and with the satisfaction of having played a good game well.

CHARLES H. CLAPP, President.

WATCH THE M!

Members of the freshman class will light the "M" on Mount Sentinel tonight and tomorrow night at 9 o'clock. This is a track meet tradition and has been followed for many years. Red railroad fuses will be used, the red lights being placed along the outer edges of the block letter and forming a flaming red "M" against the blackness of Mount Sentinel.

KYOTE TAKES FIRST IN STATE CONTEST

Billings High School Publication Best in State; Konah, Missoula, Second

The Kyote, student publication of the Billings high school, wins first place in the annual contest for high school papers, according to Professor A. A. Applegate, of the School of Journalism, who has charge of the contest. The judges awarded first honors to be Kyote because of its makeup and news style.

The Mountaineer, published by the Butte high school, placed second in the class A high schools because of its superior editorials. The Konah, Missoula high; Hi-Life, Great Falls high; and the Fergus, Lewistown high, tied for third place.

In the class B high schools, the Spotlight, Custer county high, won first place through its superiority of news, editorials, and general contents. The Beaver, published by the students of the Beaverhead county high, placed second for its sustained makeup and news style. Jordan high school, with only 50 pupils, received honorable mention as did the Flathead county high school.

R. R. Barlow, one of the judges, who has judged similar contests in three other states, upon submitting his report said he had seldom seen such excellence in all departments, editorials, news and news style and in general contents as departments of news, essays, and other material. He said the papers were thought provoking and worth reading.

Professor A. A. Applegate in speaking of the contests, said:

"The contest, which was started last year, has already been justified by the high school papers of the state. I am highly pleased with the co-operation of the schools and the spirit with which they have entered—not only for the sake of winning but for the sake of improving the papers. The high school paper as an activity excels in creating interest in the school."

The judges of the contest were R. R. Barlow, professor of journalism, University of Minnesota; Ralph Casey, University of Oregon; and French T. Ferguson, managing editor of the Daily Missoulian.

FERGUS COUNTY WINS DEBATE CHAMPIONSHIP

Margaret Dewey of Butte Team Receives Individual Honors

Fergus county high school (Lewistown) won the state championship of the Montana High School Debating League at the first event of the Twenty-Second Interscholastic held in Main hall auditorium last night. Margaret Dewey of the Butte high school received the judge's decision for being the best individual debater. Richard Manning, Fergus county high, Loleta Jackson, Forsyth high, and Jack Rabbit, Butte high, were awarded second, third and fourth places respectively. The proposition debated was, "Resolved: That the United States Should become a Member of the Permanent Court of International Justice." The debate program was radio-cast from station KUOM.

Margaret Dewey and Jack Rabbit representing Butte high upheld the affirmative against Richard Manning and Thomas McKewon of the winning team in the first argument of the evening. Dorothy Morefield and Reynold Larson of the Big Sandy team opposed Elsie Blair and Loleta Jackson of Forsyth in the final debate of the program. Each speaker was given eight minutes for constructive argument and six minutes for rebuttal. Professor L. R. Norvelle of the University English department, president of the Montana High School Debating League, presided. The judges were: Professors Clyde Burgee of the Economics department, N. S. Kalthaus of the History department, and Calvin Crumbaker of the Economics department.

The four teams taking part in the Intercollegiate finals last night are interdistrict winners of contests held between the eight Montana districts. The final interdistrict debate was held in Missoula yesterday between Missoula and Butte highs. Butte received the unanimous decision of the judges. Fromberg, Richey and Whitefish are the other high schools to be eliminated in interdistrict contests. Fifty-three Montana high schools are members of the league.

The University will award a cup to the Lewistown team in the Missoula county high school auditorium Friday night, which will be retained by the winner until next spring. The first team to win three consecutive debate championships will be given permanent ownership of the cup. Margaret Dewey wins a gold medal for individual honors and the other three individual winners will each receive a set of books which are given in memory of Miriam Knowles. President C. H. Clapp will award a Montana scholarship of \$100 to a student debater of his choice who appeared in the final contests. J. M. Keith of Missoula is the donor of the scholarship.

BOARD OF EDUCATION MEETS IN MISSOULA

Will Build New Women's Dormitory; Craig Hall to Be Remodeled

The state board of education, of which Governor J. E. Erickson is ex-officio chairman, in special session in Missoula Tuesday authorized and recommended President C. H. Clapp's plans for remodeling Craig hall, present women's dormitory, for use as a classroom building, and the erection of a new women's residence hall. The board also authorized a new dormitory and library at the State college at Bozeman and several other improvements at the various schools throughout the state. The meeting was held at the Northern Pacific hotel where Dr. Clapp was confined with an attack of rheumatism.

This is the first time in the history of the board that a meeting of the board has been held outside of Helena. Craig hall is to be remodeled and equipped so that classes in Business Administration, Physics, and Pharmacy may be held there. The new dormitory will be ready for occupancy in 1927.

A committee composed of Judge Sidney Sanner, Frank Eliel and Judge W. B. Rhoads to investigate the matter of installing a one-year collegiate course at the School of Mines in Butte, will make a report of its findings at the next meeting of the board in July.

Members of the board who were at the meeting were Governor J. E. Erickson, Attorney General L. A. Foot, May Trumper, superintendent of public instruction, Judge W. B. Rhoads of Great Falls; Judge Sidney Sanner of Butte; W. S. Davidson of Bozeman; John Dietrich of Helena; Frank Eliel of Dillon and Robert C. Line of Columbus. Miss Edith Kassing, superintendent of the Vocational School for Girls; E. H. George, superintendent of the State Orphan's Home; and H. J. Menzemer, superintendent of the State School for Deaf and Blind.

After an inspection of the University grounds and buildings, the official party were guests at a luncheon given at the Florence hotel under the auspices of the University Development committee of the Missoula Chamber of Commerce. Governor Erickson, as chief speaker at the luncheon, expressed great faith for the future welfare of Montana and its institutions. C. L. Stewart, secretary of state, accompanied the governor to Missoula.

Vatis Page, '27, of Phillipsburg, is visiting in Missoula on his way to Kallispell.

LAST YEAR'S WINNER OF MEET LEADS AT END OF FIRST DAY

TWENTY SCHOOLS WIN POINTS; JAMES, OF HAMILTON HIGH MAN

Butte high school, winners of last year's Intercollegiate, leads the schools at the end of the first day's events with a total of 25 points. Hamilton high school is runner-up with 11½ points, followed closely by Billings with 10½ points. Twenty schools scored points in the first day of the meet, which was marred somewhat by a drizzling rain that came out of Rattlesnake canyon the middle of the afternoon.

Parade Is Opener

With the shooting of a rocket toward the "M" on Mount Sentinel at 1:30 o'clock approximately 400 Montana high school contestants fell into position behind the Grizzly band and paraded onto Dornblaser field for the start of the twenty-second annual Intercollegiate track meet.

The line formed on the north side of the gymnasium and marched the length of the athletic field. The band formed a block "M" as the contestants faced the bleachers and with the break of four rockets, the Star Spangled Banner brought a crowd estimated at more than 3,000 persons to their feet and the day's program began.

George Varnell, official starter, sent the first heat of the 50 yard dash down the straightaway promptly at 2 o'clock. The pole vault and shot put contestants went into action at the same time.

LITERARY MAGAZINE EDITED BY STUDENTS

"The Frontier," a literary magazine edited by members of the Creative Writing class, is published by the University of Montana every autumn, winter and spring quarter. The class in Creative Writing and the editing of the magazine are under the supervision of Professor H. G. Merriam of the English department. The board of editors for the present school year consisted of John C. Frohlicher, Joram, for the autumn issue; D'Arcy Dahlberg, St. Ignace, for the winter issue, and Lurena A. Black, Butte, for the spring issue.

The spring quarter edition of the magazine will come out during track meet.

TUG-OF-WAR

The annual tug-of-war between the sophomores and freshmen will be held tomorrow afternoon at 1:30 o'clock at the Van Buren street slough. The pulling match will decide whether or not the freshmen will wear their green caps the remainder of the school year.

The contest will be conducted fairly and squarely," said Jack Norvell, who will officiate. "The rope will not be anchored by either class, and a coin will be flipped for sides."

Men will referee and keep order during the contest. Last year the sophomores won the war against the weaker frosh.

Presidents of the competing classes have appointed the following men for the pulling jobs, 10 men being chosen on each team:

Sophomores—Leonard Young, captain; Albert Blumenthal, DeWitt Johnson, Alex. Stephenson, Bob Nofsinger, Clark Whitcomb, Burr Smith, Jimmie Graham, Andy Cogswell, Joe Cochran, Russell Stabern, Eddie Reeder, Jack Diamond.

Freshmen—Curtis Brittenham, captain; Louis Vierhus, Harold Bailey, Sam Kain, Leonard Brewer, Joe Gristiana, Gordon Rogalia, Gordon Squires, Les Corby, Lee Malais, Kenneth Liskum, and Buzz Kiesel. Ten men will be selected from each of these lists.

The cafeteria at Craig hall will serve meals to 100 contestants and the members of the Flathead band, during track meet.

Lucia Evans, '27, of Butte, is a guest at the Alpha Phi house during Intercollegiate.

Student Committees Handle Many Visitors

Bear Paws and Tanans, sophomore honorary organizations, have been engaged during the past two days and nights meeting trains bringing contestants and visitors to Missoula.

At noon today representatives from 91 Montana schools had reported to Thomas C. Spaulding and Dean Harriet Sedman of the Intercollegiate committee.

Most of the teams came in the late Northern Pacific train last night and Tuesday night. Bear paws and Tanans were kept on the go all last evening getting the contestants to their quarters.

Robert Harper and the transportation committee deserves special credit for the system with which they handled the incoming visitors, getting them away from the station almost before the train had whistled out, according to a statement made by Dean Spaulding last night.

YELLOW SLIPS ARE MAILED

During Intercollegiate week, 120 yellow slips will be received by students on the campus who have a long standing in scholarship for the quarter.

A total of 110 students have been sent the 120 notices of delinquency. Seventy men were sent 76 slips, while 40 women will receive 44 slips.

S. O. S.

Singing on the Steps, one of the traditions of the University, will be held tonight at 7:15 o'clock on the steps of Main hall. This track meet rally is held every year as a means of demonstrating the University's spirit by having a series of songs and yells led by the Yell King, and talks by students, faculty members and alumni. The 36-piece Grizzly band will furnish music for the evening. Yell King Jack Norvell will conduct the program which is as follows:

7:15 to 7:30—Selections by the Grizzly band.

7:30 to 7:35—A short talk by Pat Keely and a few yells under his direction.

7:35 to 7:40—A short address by George Boldt, ASUM president.

7:40 to 7:45—A talk by Miss Frances Corbin, professor in the English department.

7:45 to 8—Dean A. L. Stone of the School of Journalism will speak as a representative of the University.

8:00—College Chums.

Out-of-Town Team Wins Championship

The out-of-town team won the championship of the inter-organization baseball series Tuesday afternoon by defeating Kappa Kappa Gamma. The score was 19 to 7.

Katherine Moore, pitcher for Kappa Kappa Gamma, was the outstanding player of her team. Hazel Blackler and Maebelle Mohrrehr played a good game for the Out-of-Town team.

The semi-finals played Monday resulted in a victory for the Out-of-Town team of 6 to 5 over Phi Beta. The game was a featureless one, played in a drizzling rain.

The all-star baseball team will be chosen soon after the inter-class games to be played the first of next week.

Ernel Malvern, '27, of Dillon, is a track week visitor.

MONTANA'S YEARBOOK REVIEWS ACTIVITIES

The Montana Sentinel, the University year book, published once every year by members of the junior class, is a review of campus activities of the school year. Its editor is elected by the sophomore class each spring. The present editorial staff consists of Louis Stevens, Benlap, editor; Winifred W. Wilson, Billings, and Edward J. Heilman, Bozeman, associate editors; Herbert Dunn, Roy, business manager; Robert D. Warden, Great Falls, sports editor; Edward Evan Reynolds, Missoula, art editor; Robert Bruce Ciprien, Billings, assistant editor; Ralph E. Stowe, Missoula, assistant feature editor; Annabelle L. Desmond, Dillon, co-ed athletics, society and women's organizations; Heman Guy Stark, Missoula, fraternities.

Robert Warden of Great Falls has been elected editor of the 1926 Sentinel.

Louise Kessler of Helena is visiting Anna Lou Outler during the track meet.

University Pastor Delivers Addresses

William L. Young, the Interchurch University pastor, returned Monday night from Lewistown, Montana, where he delivered four addresses over the week-end at the invitation of Reverend Evert Top, pastor of the First Presbyterian church there.

William Flaherty, ex '23, of Spokane visited the campus Monday.

The Interscholastic

THE shot that started the first heat of the 50 yard dash today at 2 o'clock opened the 22nd Interscholastic track meet and marked the beginning of the largest high school event in the history of the University. Out of 91 teams which declared their intentions of entering the competition only six failed to face the officials at the scheduled time. Besides the record turnout of athletes who are competing for honors on the field, the University will be host to more than 75 women, an unprecedented number of feminine contestants.

The Interscholastic is the largest high school athletic meet in the Northwest and from the standpoint of numbers is one of the largest events of its kind in the country. The contest, which draws the flower of Montana's athletes, represents each year an unusually high degree of athletic endeavor. George Varnell, sports writer and nationally famous starter, characterizes the meet as the best and most efficiently handled contest in his experience.

On the Amendment

AT THE general election Monday students of the University will have the opportunity of voting yes or no on an amendment proposing a salary for the *Kaimin* editor. The clause states that the salary shall continue throughout the nine months of the school year.

We have consistently advocated paying the editor of the school paper a salary, not upon a basis of remuneration, but purely as a matter of reimbursement. We hold the opinion that no student officer is entitled to any payment whatever in the discharge of duties which should be a matter of service to the University. Whenever an office requires nothing more than personal sacrifice there can be no justification, however difficult the duties connected with the task, for the payment of a salary. When, however, an office requires, as the editorship of the *Kaimin* does, not only more time than any other two offices in the ASUM, but the additional burden of a personal loss which amounts each month to \$20 or \$30, consideration must go beyond the ordinary bounds of service.

The student body is faced with the question of affording a means of meeting this expense, or running the risk of not getting the best available man for the office.

Something New in Elections

TUESDAY'S election was a source of considerable satisfaction to everyone who has taken an active interest in campus politics. Besides coming in and going out like a lamb, which is rather a rare occasion in any college election, the primary drew a record vote. According to our information more than 600 ballots were cast and with very few exceptions the tickets were marked straight through. The fact that the election was a preliminary one, with only two candidates to be eliminated, makes the turnout especially commendable. On May 18, the student body will go to the polls to register its final choice for student officers and between now and that time the *Kaimin* will make an effort to print the platforms of every nominee. When students are sufficiently interested in University affairs to vote we feel that it is our duty to afford them every bit of information available regarding the candidates.

Rumor has it that the candidates in the primary Tuesday reached the tape in a dead heat. The thickness of very few ballots distinguished the lead.

BLUBBER

"Forget your cares
And for a little while,
Read what you see below
And try to smile."

From Great Falls, Butte and Phillipsburg
And many other towns
Come hairy-handed Hercules
To win athletic crowns.
They hie from sites all o'er the state
To test their speed and skill
With other high school heroes
In the Interscholastic mill.

Greetings, athletes, declaimers and victors. You are most welcome to the University campus, and if you are good enough we will give you a cup, medal or some such little trinket just to show you we have the right spirit.

Slogan of Bear Paws and Tanans
"Meet track meet trains."

No, Nora—
Heating plants don't grow in hot beds.

"Snap out of it," said the chorus girl as she threw away her old garters.

A Word of Warning
If the co-eds try to steal your heart
My dear high school sheik,
While you are here at track meet,
Be quite retiring and meek.
Don't fall for their line of baby talk
Nor their deceitful ways—
Stay with the girl in the old home town
And you will find that it pays.

Girl visitors may also take the above ditty as a warning against the patent-leather-hair collegians.

Sayings of the Sage
If all the world's a stage and all people actors on it, then some of us have forgotten our lines or come in at the wrong time.

"I shall now play 'Farewell To You,' said the janitor, as he tapped the library chimes.

Dean DeLoss Smith Heads Music School

DeLoss Smith, head of the School of Music, came to the University of Montana in 1913. He organized the men's Glee club that year, which has grown to be one of the University's best known student activities. The club tours the state each year, giving between 25 and 35 concerts in the largest cities of the state. The trip usually takes them as far east as Miles City and north to Great Falls. Two programs are given in Missoula each season.

Mr. Smith is a composer of national repute, a number of his songs are included in each program given by the club to give a varied program consisting of classical music, solos, instrumental numbers, with special features such as the Varsity quartet and the Montana Jazz orchestra.

The club will give a program for all interscholastic contestants and visitors at the Missoula high school auditorium Friday night at 8:15.

MEET CONTESTANTS ASSIGNED NUMBERS

All track meet contestants met in the men's gymnasium this morning at 9:30 o'clock, and received their numbers which they will wear during the meet. Dr. W. E. Schreiber gave each coach the necessary instructions, and Major Smith made announcements concerning the parade of contestants held this afternoon.

The Montana High School Athletic association met at 10 o'clock in Main hall, but adjourned immediately because there was no business, complaints or issues to take care of. G. A. Ketcham, principal of Missoula high school, said that this is the first year that the association did not have some trouble to deal with.

In order to accommodate visitors the classroom of the School of Religion has been filled with cots and the class Wednesday morning met in the living room of the Eldridge home at 646 University avenue.

The Montana High School Debating League was organized May 17, 1908. Montana is divided into districts of from four to 10 schools who debate for the district championship. The districts are then paired and four teams are sent to Missoula for the final contest. The winners of the debate prizes at former interscholastics are:

1907, Hamilton; 1908, Missoula; 1909, Forsyth; 1910, Boulder; 1911, Forsyth; 1912, Gallatin; 1913, Gallatin; 1914, Gallatin; 1915, Flathead; 1916, Butte; 1918, Glasgow; 1919, Glasgow; 1920, Whitefish; 1921, Scobey; 1922, Roundup; 1923, Lewistown; 1924, Billings.

DORNBLASER

Dornblaser field is Montana University's greatest monument to a single man. It was Montana field until a short time after the war when it was renamed in honor of Paul Dornblaser who was fatally wounded in an advance on St. Etienne, in the Champagne sector of France, October 8, 1918.

Paul Dornblaser was a popular campus idol while he attended the University. He was a clean, hard-fighting athlete and an exceptional student. His name became a by-word for all that stands for clean sportsmanship and loyal school spirit.

With the outbreak of the war he enlisted in the marine corps and sailed for France in May, 1918. He participated in four major engagements on the western front and served on a defensive sector. He died October 10, 1918.

VARNELL COMMENTS ON TRACK EFFICIENCY

"The Montana Interscholastic is handled better and more efficiently than any like event that I know of, and if the number of entries keeps increasing it will be necessary to lengthen the number of days of the meet," said George Varnell of Seattle, official starter of the meet, in an interview with a Kaimin representative this morning.

"Records are being gradually lowered with the increase in number of contestants and better trained track teams made possible by the instruction given by more competent coaches," Mr. Varnell continued. He also believes that stories sent out from the University on the Interscholastic have done much to spread the fame of the meet and draw the immense throng of visitors who flock to this event, which is the second largest of its kind in the country.

Mr. Varnell is one of the most widely known of sports authorities and officials in the west, and has acted as Interscholastic starter for the past 10 years. He was sports editor of the Spokane Chronicle before going to Seattle, where he is associate sports editor of the Seattle Times. He referees most of the important football games in the Pacific Coast and Northwest conferences as well as the games of the Tournament of Roses held annually in Pasadena, California.

DECLAM

The winners of the preliminary contests of the boys' and girls' declamatory contest held this morning are: Girls, serious selections—Elsie Kel-lee, Dargy; Grace Thompson, Great Falls; Evelyn Donohue, Butte; Myrtle Martine, Teton county.

Girls, humorous selections—Goldie Hallie Smith, Bainville; Lucile Hays, Manhattan; Eileen Twohey, White Sulphur Springs; Helen Thompson, Harlowton; Elliott Morgan, Anaconda.

Boys, serious selections—Thomas Golden, Butte Central; James Bett, Shelby.

Boys, humorous selections—Dave Rossiter, Sheridan.

"The contestants will be judged 70 per cent on intelligence and emotional appeal and 30 per cent on voice, enunciation and presence," said Professor E. L. Freeman, in charge of the contests.

The judges who will select the winners of the finals tonight at the Missoula high school auditorium are Mrs. A. A. Applegate, Mr. H. G. Merriam and Mr. Nicholas Kaitchak.

NOTICE

Any member of the University Glee club, the Montana Masquers, the Art League or the class in dramatic presentation and any one in the one-act plays or in the carnival who did not receive a card and who expects to attend the Masquers' dinner-dance at the Palace hotel, May 18, see Everett Marble about reservations at once. Any member may bring a guest. The charge is \$1 a plate.

KUOM TO BROADCAST TRACKMEET RESULTS

KUOM, University radio station, broadcasts directly from the field all news of the track meet today and tomorrow. A transmitter has been erected in a convenient position on the grounds and results of each event will be radiocast within one minute after they have taken place.

Operators of the station are Raymond A. Hall, Earl Lenigan, and Leslie Petery. Mr. Hall, a senior in the Mathematics department, and one of the students who helped construct the station, is official announcer. Working on Dornblaser field with him are Earl Lenigan, Leslie Petery, and Jack Norvell. Besides broadcasting results of events, the station will send current happenings on the field over the air. The Grizzly band will give a program for radio fans, and for those in attendance at the track meet.

Last night the Interscholastic declamatory contest was broadcast directly as were a selection of songs by the Treasure State quartet of Butte. Tomorrow night the final results of the track meet will be transmitted, and again the Butte quartet will entertain KUOM listeners.

Montana State Wins Triangular Contest On Wet Slow Field

Montana State college had easy going in a triangular meet with Intermountain Union college and Montana State Normal college, and gathered 150 points to 38 for the Helena boys and 16 for the Normal team. From the marks made it looks as though the Bobcats may take first in the broad and high jumps and possibly high hurdles when they meet the Grizzlies here Saturday. A wet track at Bozeman Tuesday made records slow.

Montana State took first place in all events except the discus throw, which went to Murray of the Normal with a heave of 113 feet, 5 inches, and the high jump, which Reing of Intermountain took by going up 5 feet, 8 1/2 inches.

Look these over and then compare them with the marks and times made by the Grizzlies this year:

Discus throw—Murray (N); Yedlicka, (C); F. Sundelius (I); Olsen (C). Distance 113 feet 5 inches. 100-yard dash—Benton (C); Doles (I); Hatfield (C); Sales (C). Time 10:3.5.

440-yard dash—Thompson (C); Doles (I); Wood (C); Peters (C). Time 56 flat.

120-yard high hurdles—Cottam (C); Livers (C); Sales (C); Ennis (C). Time 16:4.5.

High jump—Reing (I); Livers (C); Neal (C); Yerian (C). Height 5 feet 8 1/2 inches.

Shot put—Yedlicka (C); Murray (N); Olsen (C); Sandberg (C). Distance 8 feet 11 inches.

Two-mile run—Bade (C); Kump (C); Dobler (C); Bock (N). Time 10:48:2.5.

220-yard dash—Benton (C); Hatfield (C); Williams (I); Yandell (C). Time 24 flat.

220-yard hurdles—Livers (C); Cottam (C); Sales (C); C. Sundelius (I). Time 28 flat.

Broad jump—Benton (C); Livers (C); Williams (I); Jams (C). Distance 21 feet 7 1/2 inches.

Javelin throw—Chamberlain (C); Carr (I); Dolan (C); Murray (N). Distance 154 feet 2 inches.

880-yard run—Hodgson (C); Thompson (C); Blakesley (I); Kunk (N). Time 2:10.

Relay race—State College first; Intermountain second.

Governor J. E. Erickson, Charles Stewart, John Dietrich, L. A. Forster and Chancellor Brannon were dinner guests on Tuesday evening at the Templar fraternity.

FACTS

About the Interscholastic

Butte and Helena are the only schools that have won points in every Interscholastic. Four times Helena stayed in the score column with one lone counter.

Six schools have accumulated more than 200 counters in the Interscholastic. They are Butte, Missoula, Gallatin, Great Falls, Helena and Anaconda.

Five schools have accumulated between 100 and 200 counts in the Interscholastic. They are Flathead, Stevensville, Hamilton, Fergus and Billings.

Twenty-nine schools divided the 240 points of the 1924 Interscholastic.

Virginia City took 10 points in the first Interscholastic and has never since entered the score column.

The biggest total ever piled up by one school in any single Interscholastic was when Missoula won the cup with 50 1/2 counts in 1906.

Gish of Missoula took six firsts in 1908.

Butte has won six Interscholastics, Gallatin has five to her credit. Missoula won four, Great Falls took two and Flathead, Anaconda, Victor and Stevensville have annexed one apiece.

3,546 points have been awarded in the Interscholastics.

The University of Montana Interscholastic track meet is the second largest meet of its kind in the world. It is second only to the Stag meet which is held in Chicago.

Ninety-one Montana accredited high schools have entered one or more contestants, which is four more than were entered a year ago.

Sixty-four declaimers, of which 47 are girls and 17 are boys, are contesting for honors at the 22nd Interscholastic track meet.

A total of 48 medals will be given to the winners of first, second and third places in 16 events. Blue and red ribbons will be given to men placing fourth and fifth, respectively.

The 220-yard dash is the most popular event this year—120 men are hoping to place in the first division.

The 100-yard dash is a close second, there being 118 men entered in this event. The 440-yard dash comes third with 116 entries.

The Donohue relay cup which is given every year to the team winning the relay and which is awarded permanently to the team winning five relays will be an 18-inch bronze statue of Nurmi, the famous Finnish runner.

The team winning the meet will be awarded a beautiful trophy by the University.

A total of 105 prizes will be given to the winners of athletic, declamation, essays and debates.

INTERSCHOLASTIC EXPENSE

Expenses of the twenty-second annual Interscholastic Track Meet will amount to approximately \$6,000, according to Dr. J. P. Rowe, faculty chairman of the meet.

Dr. Rowe said that contestants coming from such distant points as Wibaux, Bainville, Saco, and Havre in the northeastern part of the state and from towns as far south as Hardin, had materially increased the expenses of the meet.

The major items of expense are railroad fares, meals and lodging. Smaller items include repair of the athletic field, an expense of about \$200, and the cost of medals which are awarded to winning contestants.

ENGLISH TEACHERS TO MEET THURSDAY

The Montana council of Teachers of English will meet Thursday of Interscholastic week at 4:30 in Room 103 of the Library building. The purpose of the meeting is to secure better co-operation among high schools in teaching the mechanics of writing, and to establish a minimum of requirement for all high school written work. Miss Lucia B. Mirrieles, assistant professor of English at the University, will have charge of the meeting.

NOTICE CANDIDATES

All candidates for ASUM offices are requested to give their platforms to a Kaimin reporter before Friday afternoon so that it may be printed in the Friday edition. The Kaimin will also be glad to publish student comment on the coming election.

Forrest L. For, '24, who is teaching history in Helena high school this year, has been confined to Fort Harrison veterans' hospital for the past two months as a result of a mastoid operation. For will be able to resume his school work for the last two weeks of this term and he will return to Helena next year.

G. Otis Baxter, of Deer Lodge, a former University student, was in Missoula Sunday.

HIGH SCHOOL EDITORS HOLD FIRST MEETING

Editors from 14 high schools convened this morning in Marcus Cook hall at the eighth annual meeting of the Montana Interscholastic Press association. Dean A. L. Stone of the School of Journalism gave the address of welcome. Myrtle Shaw of Butte welcomed the visitors for Theta Sigma Phi, women's professional journalism fraternity, and Woodard Dutton of Helena for Sigma Delta Chi, men's professional journalism fraternity.

After the opening remarks Robert M. Dull of Great Falls, president of the association, gave a short address on the many problems confronting the high school editors. W. W. Gail of Billings, editor of the Kyote, gave a talk urging the adoption of an insignia for the Montana Interscholastic Press service. Dorothy Elliott, Missoula, explained subsidization and presented the financial problems that the Kona has encountered during the past year. Following the talks of the editors an open forum discussion was held.

Professor A. A. Applegate closed the meeting by announcing the winners of the Interscholastic Press association contests. The next meeting of the association will convene tomorrow morning at 9:30 o'clock.

Those attending the meeting were W. W. Gail, Billings; Arthur Strand, Big Horn; Robert M. Dull, Great Falls; Gwendolyn Massey, Missoula; Emily Stoker, Great Falls; Vera Ann O'Neil, Flathead; Mae Falkner, Flathead; Eleanor McGuire, Miles City; Marjorie Beebe, Missoula; Dorothy Elliott, Missoula; Margaret Roman, Missoula; Douglas Thomas, Bozeman; Walter Foster, Dillon; Douglas Mutch, Butte; George Tippet, Butte; Curtis Lees, Butte; Charles H. Dill, Hamilton; Estella Marone, Missoula; Margaret Dickey, Flathead; Yules B. Rees, Big Timber; Wayne Roberts, Dillon; Gertrude Leonard, Missoula; Emma Neffer, Missoula; Robert Struckman, Big Timber; Thomas Weller, Big Timber; Mariel J. Nichols, Kalispell; Edith Shrew, Kalispell; George S. Short, Kalispell.

GRIZZLY CREW ENGAGES MSC

MONTANA SHOULD WIN BY GOOD MARGIN

Grizzly Stars Make History at Washington Relay Games; Dual Meet with W.S.C. Adds to Montana's Glory.

The coming dual meet between the University and State College track teams Saturday, May 15, should result in a decisive victory for Coach J. V. Stewart's men, according to dope.

Nothing much is known of the Aggie track team except they have a number of good men, among them Benton, a dash man and present holder of the state record in the broad jump; Cottam, a low and high hurdler; Peters, who has thrown the javelin over 180 feet in practice; Kump, a distance man, and Livers, holder of the state interscholastic high jump record. Many of Coach Ott Romney's men were graduated last year and a poor schedule this spring has not given the State College team great opportunity for trial competition.

The University's strength is well known because of their victory over Washington State College and their showing in the relay carnival at Seattle, where the Grizzlies set three new carnival records and tied with Washington for first honors. Coach Stewart has developed the best well balanced track team in the history of the school, and from showings made in the first two meets should garner more honors in the meet Saturday, against our ancient foe.

The first summer session at the University of Montana began June 10, 1902.

Grizzly Band Plays at Downtown Rally; Will Play at SOS

The Grizzly band, composed of 58 University students, played at a rally downtown at noon today and added the final zip to the first day of the Interscholastic track meet on the field this afternoon. It will play at SOS tonight and on the field again tomorrow afternoon.

The Grizzly band was organized October 3, 1912, with 12 members, and has been an active and necessary part of University life. It has been directed by Professor E. A. Atkinson of the Psychology department for the past two years, and is accumulating money for a proposed trip next year, similar to that taken each year by the University Glee club.

ROTC students may play in the band in preference to taking the regular army training and for that reason the same personnel makes up both the ROTC and the Grizzly bands.

CO-ED GOVERNMENT HANDLED BY WOMEN

Associated Women Students' Organization Promotes General Welfare of Women on Campus

Government of the co-eds on the campus is in the hands of the Associated Women Students. The purpose of the organization is to promote the general welfare of women students and to maintain a spirit of cooperation and unity. Each woman in the University is a member of AWS.

The results of the election held last week for the year of 1925-26 were: Marcia Patterson, Sanford, Florida, formerly of Havre, president; Lillian Bell, Roundup, vice-president; Katherine Kelly, Butte, secretary; and Sammie Graham, Missoula, treasurer.

The governing board, consisting of a representative from each sorority, one from each women's dormitory, the officers of AWS, the manager of the Big Sister movement, meets each week and attends to the business of the organization.

AWS makes and enforces all rules which govern women students. It promotes women's social activities. The Co-ed Prom, a get-acquainted party for women only, is given soon after school commences in the fall. The Co-ed Formal, an annual dance at which the women of the University are hostesses to the men, and the yearly spring picnic for women are other social events sponsored by AWS.

May Fete, an annual spring festival, is supervised by AWS. Vocational conferences are held each year for the benefit of the women students of the University. Women's athletics are under AWS auspices; the cups and awards for contests are given by the organization. A loan fund which benefits women students who are unable to continue school on their own resources is maintained by the organization. The Big Sister movement, a plan by which all new women students are aided and advised when they enter the University by a member of the organization, has been perfected each year, and it is now an effective movement at the University.

Many States Send Students to Montana

Ninety-six students from 23 states outside of Montana are enrolled at the University this year. Washington heads the list with 11 students. Wisconsin and North Dakota have 10 each; Minnesota and California are next with nine students each. Several states east of the Mississippi, including New York, West Virginia and Florida, have students in attendance at Montana.

The states follow: California, Colorado, Delaware, Florida, Idaho, Illinois, Kansas, Massachusetts, Minnesota, Missouri, Nebraska, New Jersey, New York, North Dakota, Ohio, Oregon, South Dakota, Utah, Washington, Wisconsin, Wyoming.

Mr. and Mrs. J. J. McBarrow, of Butte, are visiting their daughters, Eleanor and Loretta, students in the University, this week.

ASUM MANAGES ALL ACTIVITIES

Organization of Students Controls Campus Affairs: All Students Members

ASUM, the Associated Students of the University of Montana, an organization including the entire registered membership of the University, is in charge of all matters concerning the various phases of student activity. Officers of the association this year are: George Boldt, Stevensville, president; Ruth Bryson, Whitefish, vice-president; Winifred Wilson, Billings, secretary; Einar Strommes, Grass Range, manager, and Jack Norvell, Butte, yell king.

Direct administration of student affairs is under the control of the Central board, which includes the ASUM president, who acts as chairman of the board, the vice-president, secretary, manager, Kaimin editor, yell king, one member from each of the four classes, two representatives from the faculty and one alumni member. The board takes final executive action on all student activities and committee findings, with the exception of the deliberations of the Athletic board.

Election of officers is held each year between May 15 and 20, and all candidates for office are nominated by petitions which carry the names of at least ten students. The nominations are posted by the secretary of the ASUM and immediately after election the new officers assume office.

The ASUM is supported and maintained by funds derived from incidental fees, receipts from University entertainments, and numerous activities and benefits conducted under the auspices of the association. Though an auditor is appointed by the president of the University to act as financial advisor to the student body, no student officers receive a salary or compensation of any kind for their services.

BILLINGS HIGH COACH SPEAKS TO ROTARY

Fred (Cubs) Dayliss, a former Grizzly football and baseball star who graduated from the University in 1922 and who is now athletic director of the Billings high school, and Emil Hinderman, superintendent of schools at Whitefish, discussed high school athletics at yesterday's session of the Missoula Rotary club.

"The high school is the training ground for the future athletes of the University," said Mr. Dayliss. "Athletics in high school will not prosper unless we succeed in inspiring the participants with the idea that higher education is an essential necessity. Discipline and respect are inculcated by high school athletics more successfully than through any other agency." Mr. Dayliss made a stirring plea for the necessity of keeping Montana high school graduates in Montana colleges and of the difficulties encountered in achieving this ambition.

"We are sending our boys to high school for an education, but book knowledge is not sufficient to make a man successful in future life," said Mr. Hinderman. "Nothing gives us a greater hold on the growing boys than games, which infuse a spirit that they can make use of in later life to great advantage. Games stir up a spirit of co-operation, loyalty and courage that is invaluable to the boy when directed in the right manner, a spirit which is best acquired in the schools or community organizations." The University Glee club quartet, composed of Heman Stark, Stevensville, Chester Watson, Missoula, Martin Hudloff, Butte, and Harold Craven, Spokane, sang three numbers, receiving enthusiastic applause.

WASHINGTON TEAM WINS CLOSE BATTLE

tana's half of the inning, but was caught off first.

O'Connor settled down by this time and pitched brilliant baseball. Tee-reau, Maylor, and Leavers, the big guns in the batting order, could do nothing with Jimmy's fast one. Tee-reau hitting into a double play on the sixth, with one down and Langlie on first. The Grizzlies went in order in their half of the inning. Jimmy developed a streak of wildness in the seventh and walked Maylor, whom Kelly promptly picked off first with a rifle throw to Cammie. Frayn also walked, but Kelly's peg to Hanson cut him down, stealing. Beckett hit the ozone and sat down. Meagher singled in the Grizzly half of the inning with two gone but the next two hitters failed to advance him.

Grizzlies Crowd Sacks
O'Connor disposed of the Huskies with little trouble in the eighth and ninth. Two men whiffed in the eighth and Hanson tossed out the third. With one gone, Leavers was hit by a pitched ball in the ninth, but Tee-reau again hit into a double play. The Grizzlies threatened in the eighth as well as the ninth. Anderson fell to Maylor, Kelly fanned, but Illman shot a hot single to center. He took second on a wild pitch. Hanson walked, but both runners were left on the bases when Jones fanned Tarbox. In the ninth Berg whiffed. Meagher reached first on Jones' error. Woods, hitting for O'Connor, was safe on Beckett's boot. Stowe beat out an infield hit filling the bases, but Anderson flew out to short, and Kelly lefted to left.

Team Leaves for West
Coach Bob Cummings, Student Manager Boynton Page, and a squad of 12 Grizzlies left last night on Northern Pacific train No. 3 on a five-game western tour, which is the first trip of the season. The men making the trip are: Captain Ralph (Buck) Stowe, Jimmy O'Connor, Billy Kelly, all of Missoula; Clarence Anderson, Forsyth; Ted Illman, Glasgow; Danta Hanson, Mildred; Byron Tarbox, Miles City; Albert Berg, Helena; Angus Meagher, Butte; Charles Guthrie, Meagher; Minor Shobotham, Huntley, and Allen Burtess, Harmony, Minnesota. The Grizzlies play the following games: Washington State at Pullman, May 14; Idaho at Moscow, May 15; Gonzaga at Spokane, May 16; Whitman at Walla Walla, May 18; and Washington at Seattle, May 19. Washington State college plays here May 25 and 26, and the Grizzlies close the conference season with the Whitman Missionaries here May 30.

another walkaway with the Seattle relay carnival last Saturday. We're sorry to have disappointed the Huskies, but Sally says, "You can't keep a good girl down," and the same applies to good men. This is the first time in the history of the relay carnival that anyone has even come close to taking the honors from Washington.

Great Falls high looms as one of the most powerful contenders for honors this year. She has a big and well-balanced team that's going to make things tough for other teams.

Gallatin comes through with six contestants this year. We're glad that Coach Glisson is out for his share of points again, as he sent only two men last year and none the year before.

Beaverhead county high, Dillon, is being represented by Clemon, Gordon, Henneberry and Metzler. Metzler has been showing real form in the meets he has entered this spring.

Neither Custer county high nor Billings are represented by big teams this year. Miles City, Sweet's home town, has two contestants, Peterson

and Walker, while Billings has three, Bergin, Schuster and Toole.

Did you ever stop to think what a wonderful opportunity your State University offers you to haul down a lot of glory in track in a short time? Our track team this year is composed mostly of sophomores, Sweet, Gillette, Coyle, Thompson, Lowary, E. Blumenthal, Davis and Hanson.

Culbertson is here with four entries.

Coach J. H. Mashin of Deer Lodge is here with Red Gill, Vern Mayo and Herb Miller. Gill has set a record mark for Powell high in the javelin, and may cop first place in that event.

All officials and timers at the Seattle carnival Saturday agreed that Russ Swift is the fastest man (on his feet, we mean) that ever put spikes into cinders in the Northwest.

After Russ won the century dash Joie Ray came over to him. A photographer took a picture of the two stars.

Butte won the Intercollegiate meet last year with only one first place.

Bertoglio, who took the broad jump with a leap of 20 feet 5 inches, was the only first place winner on the championship team.

Butte high has sent in the following entries: Bond, Carmichael, Chapman, Charlton, Cox D. Davis Duggan, Georgovich, Hill, Johnson, Lewis, Robinson and Ryan.

Butte Central's entries are: Doherty, Harrington, Hayes, Jorick, Keane, Lannigan, Reardon, Shepherd and Whalen.

Belfry won the Carbon county meet with Red Lodge taking second place. These schools are being represented by: Belfry—Bunney, Harkin, Higbarn, Ishibashi and Youst, Red Lodge—Barrett, Browning and Thompson.

A cup and two banners are the material rewards for the efforts of our track team at Seattle Saturday, but the large turnout at the station Sunday when the boys returned certainly proves that Montana supports a winning team.

Kenneth Cruickshank, ex '26, has just landed in Seattle from a trip to the Orient on the Majestic.

SPORTY-VENTS

Too much Sweet? was one official's comment on the outcome of the Washington State-Montana dual meet held May 2, according to the Evergreen. The W.S.C. paper ran a head like this, "Staters Meet Waterloo in Sweet."

Hamilton appears to be going strong again this year. Hamilton high won the Ravalli county meet last week, with Stevensville taking second and Darby third. Harold Renn, Hamilton sprinter and middle distance man, won individual honors. C. Hagen and Woodworth were Stevensville's chief performers, while Haines and Rouse performed in stellar fashion for Darby. All of these lads are here for the Intercollegiate meet, and will certainly score points if they keep up their good work.

Havre high won her district meet last week and is here with a good team of about 10 men.

The University of Washington had Montana doped as making lots of noise again, and that she would have
